FORMER SIDNEY BOY MARRIED IN SEATTLE

Miss Enid Draper, daughter of Capt. and Mrs. A. E. Draper, of Seattle, and Maurice Arnold Corfield, son of Mr. and Mrs. Maurice Corfield, of Sidney, B.C., were married at St. Paul's Episcopal Church, Seattle, Sunday, Oct. 29th, at 4:30 p.m. The bride was given in marriage by her father, Capt. A. E. Draper, at an impressive ceremony, the double-ring form being used, with Rev. Walter G. Horn, rector of St. Paul's, officiating.

Preceding the service Alfred Sundall sang "Because" and "L'Amour-Toujours L'Amour," accompanied by Ron Baggett, who also played the wedding march.

The bride, a slender, attractive blonde, was lovely in a white marquisette gown and finger length wedding veil fashioned with Juliet cap held back with dainty sprays of white bouvardia. The wedding gown in the prevailing popular old-fashioned mode, used the "Sweet-heart" square neck, puff sleeves, shirred girdle, with modified bustle flounces. Her bouquet was an arm shower of white rosebuds, gardenias, lilies of the valley and bouvardia.

Mrs. Ernest W. Elsner, the former Dorothy Laws, cousin of the bride, as matron of honor, was the bride's only attendant. Mrs. Elsner, a vivid brunette, appearing in interesting contrast to the blonde bride, wore a hyacinth blue frock, with Lorraine white-colored accessories, short veil and tiny hat made of a velvet bow. Her arm bouquet was of yellow roses, and wine colored chrysanthemums, tied with wine colored ribbon.

The groom was attended by Robert E. Draper, brother of the bride.

The ushers were Donald Draper

GULF ISLANDS DRAMATIC FESTIVAL PLANNED

PENDER ISLAND, Nov. 8.—The Pender Island Dramatic Club is planning to sponsor an Inter-Island Dramatic Festival to be held at Hope Bay in the early spring. Although the date of presentation may appear to be far enough off, nevertheless, time is short when there is considerable organization and arrangement to be gone through. Plays entered should not exceed 45 minutes duration from curtain to curtain. The stage will conveniently accommodate six characters at a time and there is electric lighting installed on the stage.

PLAN RED CROSS DRIVE NEXT WEEK

Commencing Monday, Nov. 13th, every house in the area of North Saanich will be canvassed for subscriptions to the Canadian Red Cross, whose services will again be required as in the last war to act as an auxiliary to the Canadian Army Medical Corps, in equipping and operating hospitals, sanatoria, recreation centres, ambulance units, etc., and to act as distributor of food and supplies to prisoners of war.

At present nobody can predict the magnitude of such activities, but immediate funds are required to furnish materials to the women's working parties now organized all over Canada, the local unit being under the direction of Mrs. J. J. White.

The following have volunteered their services as collectors:

F. J. Baker, C. C. Cochran, Capt. C. F. Gibson, G. C. Holmwood, Major A. D. MacDonald, D. Sparling, G. J. Tumbull, A. Warrender.

The treasurer of the local unit is C. C. Cochran, to whom subscriptions may be sent direct if preferred.

It is hoped that a generous response will be made for this essential war service.

"IN OLD CHICAGO" AT THE REX

The urge to make big pictures, pictures honestly deserving those much abused adjectives "tremendous," "spectacular" and even "colossal," seems to come in cycles. And these cycles reach their crest roughly, very roughly, at 10-year intervals. Of course, people haven't been making movies long enough yet to enable the statistician to determine so long range a matter as the periodicity of appearance of big pictures definitely, but so far, 10 years seems to be the interval between one cluster of big pictures and the next, but the clusters themselves are spread over a period of three or four years.

We seem to be right at the high point of such a cycle now, with a lot of big pictures showing, and "In Old Chicago," with its enormous budget scheduled to show at the Rex Theatre, Ganges, on Friday and Saturday this week. The chances seem to be, if the cycle is correct, that the next few years will see a slump in spectacle pictures, no more than one being produced a year, if that.

MRS. HUME IS PRESIDENT OF GALIANO CLUB

GALIANO ISLAND, Nov. 8.—The annual meeting of the Galliano Hall Club took place in the hall on Monday last, with Stanley Page in the chair.

Fulford Boys Win

FULFORD, Nov. 8.—At the Fulford Community Hall Friday evening the Fulford boys defeated the Beaver Point boys in a basketball game by a score of 33-18.

Cearley, Mrs. M. Lee, Miss Mary Lucy, Miss Kathleen Lucy.

Big Bon Fire At Fulford Harbour

FULFORD, Nov. 8.—The young people celebrated Hallowe'en night by having a big bon fire at the head of the harbour, on the beach near the Fulford Inn, at which about 30 attended. They amused themselves by setting off fire-crackers, rockets, etc.

Hallowe'en pranks were indulged in, in some cases going too far, gates being torn off their hinges, letting cattle into gardens, resulting in the destruction of vegetables.

MEETING OF I.O.D.E. HELD AT DEEP COVE

The November meeting of Allies' Chapter, I.O.D.E., was held in St. Augustine's Hall, Deep Cove, 22 members being present.

The members stood in silent tribute to the memory of Miss Ord, a valued member who passed away October 19th.

Educational secretary, Mrs. Bruce, was authorized to send for pamphlets "Canada Within The Empire," to be given to three local schools and five school in outlying districts.

Miss Stewart, welfare convener, reported a generous parcel of warm clothing and blankets sent to evacuated children in England.

The parcel consisted of:

- 1 grey blanket;
- 2 baby blankets;
- 1 baby eiderdown;
- 2 afghans;
- 1 pair flannelette pyjamas;
- 2 flannelette shirts;
- 2 scarves;
- 11 sweaters;
- 6 pairs bloomers;
- 2 wool dresses;
- 3 pairs stockings;
- 3 undershirts.

Guide convener, Mrs. King, reported certain equipment needed and authorization was given to obtain whatever was necessary. A "Brown Owl" is needed before the Brownies can resume work.

Members were urged to attend Remembrance Day service as usual.

In future, meetings will be held in Sidney and Deep Cove alternately.

A new member, Mrs. Small, was proposed.

Three new members were welcomed to the chapter: Mrs. Schaeffer, Mrs. McNeil and Mrs. Colpitts.

FROM LEMONS TO FACTORIES CONSIDERED

The regular monthly dinner meeting of the Sidney Businessmen's Association took place in the Sidney Hotel on Wednesday evening, Hugh J. McIntyre presiding.

27-OUNCE LEMON

At the dinner a huge lemon was exhibited by A. W. Hollands, that had been grown in North Saanich by Arthur A. Readings, weighing 27 ounces — about the size of a musk melon. The coloring was good and the aroma pure lemon.

Immediately following dinner the business session got under way with the reading and adoption of the minutes of the last meeting.

DRAINAGE

The question of improving the drainage on Third and Fourth Streets, and Amelia Avenue were discussed and the matter referred to the Drainage Committee.

BILLS

A number of accounts were examined and ordered paid.

BANK

In view of major developments in the community it was deemed advisable to take steps to induce one of the leading banks to establish a branch in Sidney in the near future.

FIRE AREA

In the matter of making North Saanich a fire area progress was reported, the executive having met a government official the previous week and Captain Macgregor F. Macintosh, M.L.A., continuing efforts to clear up points that are not thought suitable for this district. A definite proposition is being worked out very carefully.

POWER AND LIGHT

In view of the reduced street light lighting rate agreed upon in Victoria between the city and the B.C. Electric it was decided that the B.C. Electric be interviewed with the idea of securing lower light and power rates for North Saanich.

POST OFFICE BOXES

During discussion on air mail service and the fact that air mail planes will likely be landing at the local air port in the near future, it was deemed advisable to take suitable steps when the time is appropriate to have a connecting line between the airport and the Sidney Post Office. While on the subject, H. E. Kennedy, Sidney postmaster, drew attention to the fact that there are available many post office boxes at reasonable rentals, emphasizing this particular point.

Remembrance Day Service

Saturday, November 11th, 1939

AT GANGES AND SIDNEY

Although Canada is at war the Canadian men and women who laid down their lives from 1914 to 1918 still live in our memories and whatever eventualities happen will never be forgot.

Once a year we pay special tribute to their memory in a service at the Cenotaph at Ganges and the Cairn at Sidney — erected to their memory.

We are fortunate in that we do not have to fear enemy activity in the event of a public assembly and are able to hold our services, which will take place in Ganges and Sidney at 11 a.m. on Saturday, November 11th.

All members of the two communities are urged to be present and all ex-service men, irrespective of affiliations, are urged to take part in the parades.

"They shall grow not old, as we that are left grow old,
"Age shall not weary them, nor the years condemn;
"At the going down of the sun and in the morning
"We will remember them."

Remembrance Day

By GUS SIEVERTZ

REMEMBRANCE DAY has always been hallowed by memories too poignant for expression in words. This year it has taken on an even greater significance.

Today hundreds of men who served in France and Flanders are passing the torch to their sons . . . are placing it firmly in their eager and willing hands.

It is a time of reverent remembrance, of thankfulness and of re-dedication to a common purpose. The veteran, more than anyone, is called upon, in the words of Lord Tweedsmuir, "to be a rock of common-sense in a time of struggle and tension — a balance between hysteria and apathy."

And that is why Remembrance Day is sacred to the veteran. It is the symbol of that great informal friendly society of ex-servicemen whose bond is that they served for King and Country.

Remembrance Day is the one day in the year when those proud folk — the "old soldiers" — can accept the assistance of their former comrades-in-arms.

In the Red Cross Workshop at Victoria there are still 27 disabled veterans. They are slower than they were — each year it is a little harder to make enough poppies for the annual remembrance.

But they have worked slowly and steadily in producing about half a million poppies and poppy wreaths.

It will be our task on Remembrance Day to aid in their distribution . . . to see that the Red Poppy of Remembrance is worn by everyone as a symbol and as a recognition of our continuing responsibility to the men with whom life has dealt unkindly these many years since they returned from active service.

It is a gesture of love and remembrance.

The annual general meeting of the Ardmore Golf Club will be held on Thursday, Nov. 9th, at 8 p.m., in the club rooms.

What might have been a more serious accident occurred on Thursday night, Nov. 2nd, when Leslie Cox, son of Mr. and Mrs. C. J. Cox, McTavish Road, while driving a motorcycle, collided with Kathleen King, daughter of Mr. and Mrs. F. F. King, Third Street, who was riding a bicycle. The accident occurred about 9:15 o'clock on Beacon Avenue at Second Street, near the Imperial Service Station. Both parties were thrown to the pavement, Leslie being knocked unconscious. Dr. Hanson of Rest Haven was called and after medical aid was given both parties were taken home. Leslie revived quickly after a good night's rest, but Kathleen was not so fortunate and is still unable to be out, having suffered after ef-

fects from severe shock, cuts, bruises, etc.

Mrs. Fellows and Mrs. McLeod, of Vancouver, were weekend guests of their parents, Mr. and Mrs. Thorp, Beacon Avenue.

The November meeting of St. Paul's United Church Women's Association was held at the home of Mrs. Willerton, Fifth Street, on Wednesday, Nov. 1st with a fair attendance. Red Cross work to be done was discussed, a motion to give the usual donation to the poppy fund was passed, a payment was made on the church mortgage and arrangements made for the Men's Supper meeting. Tea hostesses were Mrs. Willerton and Mrs. J. John. The next meeting will be held at the home of Mrs. C. C. Cochran, Dec. 6th.

Mr. Wallace Hood, aged 83, of East Road, Sidney, is recovering from gunshot wounds received when he was accidentally shot on Saturday afternoon, Nov. 4th, by Len Bowcott, Sidney, who was out hunting. The accident occurred on Mr. Hood's property in what is locally known as Weiler's Bush. He suffered wounds on the left shoulder and the left side of his head. The injured man was immediately taken to Rest Haven where he was attended by Dr. A. N. Hanson. Police were soon on the scene of the accident and learned that Mr. Bowcott mistook Mr. Hood, who was 75 yards away in the underbrush, for an animal.

IN CASE OF ACCIDENT

Sir:—It has been brought to my attention that it is not generally known that there is a complete first aid kit available in case of an accident, at the Imperial Service Station, Second Street at Beacon Avenue.

We also have quite a number of residents who are qualified first aiders. Several of these are holders of Industrial First Aid certificates who are ready and willing to render assistance at any time. Those who wish assistance at any time should contact the president or secretary of the local St. John Ambulance Association, just 'phone Sidney 42-L, 123 or 28 and someone will soon be on the scene.

I should like to mention that in case of an accident the patient should not be moved under any consideration until first aid has been rendered — as it is possible that in moving a minor injury may become a major one, and a severe injury turned into death. Be sure what is wrong before moving a patient.

CONCERT AT HOPE BAY ENJOYED

PENDER ISLAND, Nov. 8. — A benefit concert was held in the Hope Bay Hall on Tuesday evening, Oct. 31st, under the auspices of the Women's Institute, in aid of the Dental Clinic funds, when a very good crowd was in attendance, and was enjoyed by all, each society donating some little act or song.

The junior room of the school gave a short song about ghosts, etc., and all dressed up to fit the part. The senior room girls then sang in unison the song "Over the Rainbow," which was very good. The senior boys gave a short wave radio demonstration which was rather funny. The Women's Institute members gave a sort of tableaux in keeping with the Halloween spirit, all being dressed as ghosts — one member relating a rather weird story with sound effects that proved thrilling.

The Ladies' Guild held a "quiz" contest, much to the amusement of the crowd. They also had a jelly-eating contest, the men and ladies being blind-folded and the women feeding the jelly to the men, the first couple finished receiving a small prize.

A pie-eating contest was next on the list when six youths went up on the stage, Dave Falconer being the winner.

The Farmers' Institute then put on a short act entitled "Drs. Kuten and Guttem," which was much enjoyed.

The last item was a short comedy, written and produced by Spencer Percival, "Strangeways in Victoria." The play centred around a select boarding house with a Mrs. Hoggins as landlady, and a good Scotch one at that! This was also enjoyed.

Refreshments were served by the Women's Institute members and dancing was indulged in, the orchestra donating their services.

MAYNE ISLAND

Lady Constance Fawkes left on the S.S. Mary on Monday for Victoria.

Mrs. Pratt returned on Monday from Vancouver.

Mr. and Mrs. Steele went to Vancouver on a few days' visit.

Mr. Gilmore and J. Burdall left on Thursday's boat for Vancouver, Mr. Gilmore returned on Saturday.

The Halloween party given by Miss Hardy was much enjoyed by all the children.

The many friends of Mrs. Wm. Denoon are very glad to hear she has recovered from her recent illness.

There was a full house at the Saturday night whist drive at the hall, Mr. Steel having the highest score.

A Red Cross meeting was held at Grandview Lodge last Monday, 10 being present. Mrs. Roberts was elected president, Mrs. Pender, secretary, and Mrs. Greene, treasurer.

"MORTALS AND IMMORTALS" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.
The Golden Text is: "Henceforth know we no man after the flesh" (II Cor. 5: 16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Lord, thou hast heard the desire of the humble; thou wilt prepare their heart, thou wilt cause thine ear to hear" (Psalms 10: 17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Unless the harmony and immortality of man are becoming more apparent, we are not gaining the true idea of God; and the body will reflect what governs it, whether it be Truth or error, understanding or belief, Spirit or matter. Therefore acquaint now thyself with Him, and be at peace."

NORTH SAANICH HIGH SCHOOL NOTES

By A STUDENT

The Hallowe'en dance held at the North Saanich School on Friday, Nov. 3rd, was an outstanding success. A large crowd, including members of the School Board, teachers, ex-high students and friends attended. Refreshments were served, and the evening was

very much enjoyed by all present. The hall was gaily decorated for the occasion and good dance music was provided by the ever-popular Toe Ticklers' Orchestra. The dance proved to be a financial as well as social success as the Students' Council reports an increase in the treasury.
The October examinations are now over and reports will be out in the near future.

GANGES, Nov. 8.—A progressive whist drive held under the auspices of the Ladies' Auxiliary to The Lady Minto Gulf Islands Hospital, took place last Tuesday at the Mahon Hall, Ganges.

Thirty hostess tables took part in play and the master of ceremonies was A. J. Eaton.

The decorations throughout the hall were symbolic of Hallowe'en and had been carried out under the management of Mrs. A. B. Elliot. Sword ferns outlined the windows, while bowls of dogwood foliage and arbutus berries were arranged on the stage.

The ladies' first prize was won by Miss F. Aitkens. Second, Miss Jean Mount. Third, Mrs. M. B. Mount. Consolation, Miss Marion Norton. Gentlemen's first, R. B. Littlefair. Second, Mrs. Fred Boyt (playing gentleman). Third, Jesse Bond. Consolation, P. Murakami. Winners of prizes for lucky chairs were Miss M. Ross and C. Beddis. Special prizes were won at lucky tables by Miss D. Beddis, Mrs. F. Boyt, Mrs. Walter Jansen and A. W. Drake.

Following the presentation of prizes by the president of the auxiliary, Mrs. G. J. Mount, W. M. Mount, chairman of the Hospital Board, spoke on behalf of the organization, thanking those who attended and in any way supported the whist drive.

After expenses were paid the sum of \$27 was cleared.

annual gift of the Geographical Magazine and stating how useful she had found the paper during her teaching at Ganges.

It was heard with regret that Miss E. Halley had been obliged, through ill health, to abandon her research work at Cambridge and is returning to Canada.

Mrs. A. J. Shipley reported on the amount of clothing sent in from the chapter and forwarded to England for evacuated children. She also spoke of wool expenditure for socks, sweaters, etc., and showed the quantity of completed work brought to the meeting by members.

The treasurer reported \$151.44 in the bank and over \$4 on hand. From that amount the following sums were voted: \$36, which represented half the proceeds derived from the August garden fete, to The Lady Minto Gulf Islands Hospital building fund; \$10 to the Mary Croft Endowment Fund; \$10 to the Queen Alexandra Salorium; \$5 to the Susie Sorabji Fund; \$30 to War Work Committee for a new supply of wool.

Part of a letter received and read by the first vice-regent from Mrs. Desmond Crofton, Victoria, referred to the presentation of the life membership to Mrs. Frank Crofton, while in hospital; it expressed the very great appreciation shown by the recipient and conveyed her thanks to the members. The vice-regent has since received a letter from Mrs. Frank Crofton, which will be read at the next meeting.

Four new members read the oath of allegiance: Mrs. Collin Mount, Miss F. Aitkens, Miss S. Chantelu and Miss Betty Kingsbury.

Mrs. A. J. Shipley and Mrs. C. Springford were elected to choose and make arrangements for sending gifts for Christmas to six local boys overseas.

It was decided to organize a concert between Christmas and New Year, part of the proceeds to be given to the local Red Cross unit. Final arrangements will be made at the December meeting.

The vice-regent asked all members to attend a public meeting to be held at the Mahon Hall on Thursday evening, 9th, for the purpose of forming a Red Cross unit at Ganges.

The secretary was instructed to write letters of thanks to Mrs. J. J. Shaw for her gift of five pairs of socks, and to Mrs. Ross, Vesuvius Bay, for her work on a comforter. Tea hostesses were Mrs. E. Walter, Mrs. H. A. Robinson and Miss M. Ross.

A HEARTY MAIN DISH

Here is a homely dish which will add prestige to your cooking. That may sound paradoxical but it's not because we mean "homely" in the very best sense of the word. This dish is plain and wholesome, economical, very tasty and just the thing to set before a hungry family on a chilly fall night.

BOILED FISH AND VEGETABLE DINNER

2 lbs. fillets, steaks or pan-dressed fish
1/2 lb. each turnips, potatoes, onions, carrots
1 lb. cabbage
1 teaspoon salt
1/4 teaspoon pepper
1/4 cup diced salt pork (fat back)
2 cups water

In a heavy kettle, fry the pork to a golden brown, add 1 cup water and all the vegetables except the cabbage, which is cooked separately. Allow the vegetables to cook for 20 to 25 minutes, add the salt, pepper and second cup of water. Lay the fish (flesh side down) across the vegetables, cover with the cooked cabbage, and cook the whole about 5 minutes more. Place the fish in the centre of a platter, surrounded by the cooked vegetables. The liquid remaining in the kettle may be served in a side bowl.

GALIANO ISLAND, Nov. 8.—Under the auspices of the Gulf Islands Branch of the Canadian Legion, a very successful flag whist drive was held in the Galiano Hall on Saturday, Nov. 4th, in aid of the Red Cross.

It was very well attended, 15 tables being in play, with Miss Violet Nixon, Capt. I. G. Denroche and Leslie Page winning the first prizes, and Miss Mary Scoones, Mrs. Kenneth Hardy and Archie Georgeson receiving consolation prizes.

A home cooking stall was presided over by Mrs. H. W. Harris, novelties were sold by the Misses Betty and Margaret Scoones, while Mrs. James Hume was in charge of the brand dip. Mrs. W. H. Gilmour was the lucky winner of a chicken, one dozen eggs and one pound of butter, while Miss I. B. Davy drew the lucky ticket on a fruit cake, made and donated by Mrs. Martyn Jenkins.

A delicious supper was served by Mrs. A. E. Scoones and Mrs. Martyn Jenkins, who were assisted by Mrs. L. M. Walters and Mrs. R. Fleming. Mrs. D. A. New arranged the flag whist, and Miss Mary Scoones sold tickets.

Victor Zala was master of ceremonies, and later auctioned several cakes and novelties.
At the end of the evening A. E. Scoones announced that the magnificent sum of \$45.60 had been raised for the Red Cross, and thanked all those who had contributed and who helped in any way to make the evening such a success.

WHARF REPAIRS

Newall Copeland, chairman of the Port Committee, stated that the wharf required repairs and was instructed to report the matter to the federal authorities.

The secretary was instructed to write John Lind, a former member, extending the sympathy of the association in his bereavement.

Other matters discussed included the new phrase "Canned at Saanich," being used by the local canning unit of the B.C. Packers. The chairman was asked to interview the management, as Saanich was considered a very indefinite place with 15 or more post offices. The Industrial Committee was asked to have listed with the proper authorities sites that would be suitable for factories in connection with the airplane industry, in case the time arrives when such plants may be established locally.

"IN OLD CHICAGO" AT THE REX

(Continued from Page One)

HISTORY PROVES IT

That's the way it's gone so far. The last wave of big pictures came in the years 1923, '24 and '25, then dropped off from the peak that saw the production of "The Covered Wagon," "The Ten Commandments" and "Ben Hur" in rapid succession. The cycle broke that brought up only one "big" picture, but that one was a whopper, being nothing less than "The Birth Of A Nation" in 1915.

The present cycle of spectacular pictures seems to have its culminating crest, "In Old Chicago," if production schedules are announced for next year are any criterion. And in some ways this seems fitting enough, for the problems which the script writers set Henry King, the director, and the problems he set the technical staff were many and complex. Nothing more difficult to do is likely to be thought up for some time.

FIRE A MASTERPIECE

The fire itself, the mere matter of reproducing convincingly a fire that burned four square miles of buildings, destroyed \$200,000,000 worth of property, killed 300 people (that was the number of dead who were FOUND after the conflagration), all in a holocaust that lasted unabated for two days, was difficult enough. A sixty-acre city had to be destroyed by real flames, carefully controlled, while cameramen, Tyrone Power, Alice Faye, Don Ameche, Alice Brady and hordes of extras and cattle all performed their duties in the midst of the flames. In a strange reversal, chaos had to be made out of disciplined order; the chaos was what came on the negative, the order what preserved life in getting it there. Technical ingenuity was taxed to the uttermost to make the screen blaze conform with eye witnesses' descriptions of the fire which mentioned huge clouds of gas bursting into flame hundreds of feet above the main blaze, iron girders melted and running like water, a river ablaze with burning oil on its surface, the constant deepening roar of flames fanned by the gale and above all the panic of hordes of terrified refugees.

Bringing this on the screen meant reconstructing two Chicagos, one the city of 1854, just at the start of its growth, the other the city in its glory just before the blazing ruin descended. A vast

amount of research was entailed in this job. The Twentieth Century-Fox studio staff prepared — taking a year to do it — a 240 page book dealing minutely not only with such obvious matters as the plans of the city, the important buildings, the costumes of the day, the industries, the manners of the period, but also with such apparently irrelevant details as what the people ate, drank, read, what games they played, what songs they sang, the conditions of the streets, how they were lighted, how the police and fire departments were managed and how elections were conducted.

"In Old Chicago," is Darryl F. Zanuck's great climatic production for 20th Century-Fox with Tyrone Power, Alice Faye and Don Ameche in the leading roles. They head the star-studded cast of the great American motion picture which includes Alice Brady, Andy Devine, Brian Donlevy, Phyllis Brooks, Tom Brown, Sidney Blackmer, Berton Churchill, June Storey and Paul Hurst.
